Disposition:

Matter continued to 1/28/19 at 11:30 AM, Dept 5.

Debtors request a 12 month APO, however Creditor is not presently agreeable to that.
Debtors wish to meet & confer in an attempt to reach an agreement.
Court to allow that and so grants one last continuance.

Court might permit a 9-10 month APO, which would require additional payments of between \$1100-\$1200 per month by these Debtors. Parties should come to next hearing prepared to discuss.

If there are any material developments between now and the continued hearing on 1/28/19, Court will look for a written status report from the parties.

Guideline fees of \$650 previously awarded to Atty for Debtors (re Minute Order, ECF No. 72).
